TODAY . . .

. . . One of the leading mutual fire insurance companies in America

---

YOU CAN INSURE IN MILL OWNERS MUTUAL WITH FULL CONFIDENCE BECAUSE . . . .

- **You know that your policies are backed by a strong, conservative company—a company that has stood the acid test of time for over 70 years of continuous service to its policyholders.**

- **You know further that your policies are standard, legal-reserve non-assessable contracts; that they are acceptable as collateral by leading life insurance companies, banks, building and loan associations and other financial institutions.**

- **You enjoy the assurance that if you experience a loss, it will be handled promptly and fairly. The record of the Mill Owners Mutual is unexcelled in this respect.**

- **You know that your property is insured with other select properties like your own. Thus the amount which the company is called upon to pay out in losses is substantially reduced as compared to less selective companies.**

- **You know that this policy of insuring only select risks reduces the COST OF YOUR insurance.**

The Mill Owners Mutual provides you, along with other select property owners, the opportunity of buying safe, sound protection for your property, at a minimum cost.
